

Kashyap Krishna - Oud(e)water

This is for 1 performer. Start @ 11:00. End @ 12:00.

Prepare yourself a drinking glass or a plastic water bottle. Preferably transparent/clear.

Go to the intersection of Nieuwstraat and Hofstraat where you will find the statue of Willem van Oranje. On Hofstraat, a few steps further from the statue you will find a public water fountain.

Stand in front of the water fountain.

(If the water fountain doesn't work, perform the actions out the water.)

(If anyone asks you what you are doing, you can only say "oud water" and nothing more.)

At exactly 11:00 collect a glass of water. Go to the statue and sit on the pedestal above the city *Monnickendam*. Place the glass/bottle between your legs. Wait.

At exactly 11:05, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Leiden*. Place the glass/bottle between your legs. Wait.

At exactly 11:10, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Haarlem*. Place the glass/bottle between your legs. Wait.

At exactly 11:15, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Edam*. Place the glass/bottle between your legs. Wait.

At exactly 11:20, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Gouda*. Place the glass/bottle between your legs. Wait.

At exactly 11:25, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Medemblik*. Place the glass/bottle between your legs. Wait.

At exactly 11:30, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Gorinchem*. Place the glass/bottle between your legs. Wait.

At exactly 11:35, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Hoorn*. Place the glass/bottle between your legs. Wait.

At exactly 11:40, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Enkhuizen*. Place the glass/bottle between your legs. Wait.

At exactly 11:45, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Alkmaar*. Place the glass/bottle between your legs. Wait.

At exactly 11:50, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and sit on the pedestal above the city *Dordrecht*. Place the glass/bottle between your legs. Wait.

At exactly 11:55, stand up, go back to the water fountain and throw the water in the drain. Collect a new glass of water. Go back to the statue and stand in front of Willem van Oranje. Look up at him.

At exactly 12:00, drink your water and leave

Reports:

Jello:

There was no fountain available, so I had brought bottles of water.

I thought I had started an hour early, but I was right on time.

At Monnickendam at 12:00, I drank the last glass of water, having poured away all the previous ones.

I said Oud(e)water twice and was offered some fruit from a very friendly woman I didn't know.
